

Kilkenny Musical Society

MEMBERSHIP

2016–2017

Kilkenny Musical Society is a not for profit organisation, and is totally dependent on membership fees, fundraising, and sponsorship in order to meet the demands of staging musical productions to the very high standard that Kilkenny audiences have come to expect - the same high standards that we as society members enjoy performing.

Unfortunately, when membership is not paid, it guarantees that KMS struggles financially for the entire year. By paying your subscription at the start of the society year, you will be ensuring the society has the ability to run from one year to the next without financial constraints and this cuts down on the requirement of additional fundraising.

Membership isn't simply a financial boost for the society; it is also your entitlement and your sense of ownership. Only KMS society members can propose, vote, and submit motions at AGM's. Also, only KMS society members are covered by our insurance. Because of this, only paid up KMS members are allowed to perform on stage.

KMS Full Membership: €65
